

Your Security is our Business!

We specialize in Integrated Security Systems, Sales, Service and Installation, as well as Fire

Alarm Installation and service. Established in the Security, Fire, and CCTV Business since 1994. Security you can trust, we are fully licensed and insured. Don't be fooled by a low price backed by a lack of experience, insurance, and licensing. Use Pro Video and go with the Pro's! New Jersey requires any business installing or servicing CCTV, Burglar and/or Fire Alarms to possess NJDCA licensure. If your contractor does not have this your business is at risk in the event of a loss.

- Multi-channel VMS & 3G mobile apps included

Analog HD Cameras

Powered by:

HAVE AN OLD SYSTEM THAT'S
NOT WORKING SO GOOD?

Let us show you how we can bring you the latest SDI Mega Pixel technology, over your current cable. That's up to 2MP of resolution over your current coax cable in place. These mega pixel cameras and systems replace at a ratio of 3 to 1. This means a single 2MP camera can cover the same area as 2 to 3 standard analog cameras.

We also carry a full line of the latest Analog HD 960H DVR's and 700TVL cameras 34% more resolution than standard cameras and DVR's all without spending a fortune!

We'll Get You Covered For Less!
